EDUCATION

B.E. Information Science and Engineering *Oct 2023 – Jul 2027*
B.M.S. College of Engineering, Bengaluru **CGPA: 9.6**

12th CBSE *2022*
Scholar English Academy, Surat **Percentage: 88%**

10th CBSE *2020*
Agarwal Vidya Vihar, Surat **Percentage: 93%**

TECHNICAL SKILLS

Programming Languages:	C, C++, Java, Python
Web Technologies:	HTML, CSS
Databases:	MySQL
Python Libraries:	NumPy, Pandas, Matplotlib, Seaborn
Machine Learning:	Scikit-learn, Supervised Learning, Classification, Regression, Data Preprocessing Model Evaluation
Data Structures & Algorithms:	Arrays, Strings, Linked Lists, Stacks, Queues, Trees, Graphs, Sorting, Searching

PROJECTS

College Marketplace Website *Python, MySQL*

- Built a peer-to-peer campus marketplace enabling students to list, browse, and purchase products.
- Implemented user authentication, product listings, search, and seller contact features.
- Designed a relational database schema using **MySQL** for users, products, and categories.
- Performed CRUD operations and database integration using **Python**.
- Applied data validation and modular design principles for scalability.

Movie Recommendation System *Python, Data Analysis, ML Concepts*

- Developed a movie and TV series recommendation system using a dataset of 200+ IMDb titles.
- Implemented user accounts, authentication, and personalized browsing functionality.
- Enabled filtering and search based on genre, director, cast, release year, and keywords.
- Applied data preprocessing and exploratory data analysis (EDA) on movie metadata.
- Implemented similarity-based recommendation logic and user review management.

VOLUNTEERING EXPERIENCE

GeeksforGeeks Student Chapter, BMSCE

Technical & Event Management Volunteer

- Assisted in organizing coding contests, technical workshops, and knowledge-sharing sessions.
- Supported event planning, coordination, and on-ground execution to ensure smooth operations.

National Service Scheme (NSS)

Volunteer

- Participated in tree plantation drives and community-focused initiatives promoting environmental sustainability.

IEEE Computer Society Chapter, BMSCE

Event Management Volunteer

- Contributed to organizing technical events, handling registrations, coordination, and logistics.
